PROFESSIONAL SKILLS ▾

I have Good Knowledge and experience of Support Services for Servers, Clients, and Network. I can easily manage different Windows Server and Client families and different Linux Families too. I am also good on Cisco Routers, firewalls and switches and have knowledge of Juniper Routers.

Also I have very good experience in MS Office, HTML, PHP, and MySQL.

In terms of social skills, I can complete assignments in any kind of challenging work situation. I enjoy working in diverse environments with people from different cultural backgrounds, or in teams either as team-member or team-leader. I am sociable, but I can also work in loneliness if the job nature requires me so.
